

## INAD 2017 activities in Slovenia

### ZVOKI IZ MOJEGA OKOLJA

Pan-European competition for primary and secondary schools »Sounds of my place« is promoted in all schools.

### GLASBA IN SLUH

The results of study »Music and Hearing« will be presented to students that were involved in Ravne na Koroškem. The aim of this study is raising awareness of possible hearing damage from exposure to noise even when listening to the music that is of great importance for adolescents.
